

U3A Italiano

Members Information

The Group

Please bring your membership card to your first meeting*

1st and 3rd Thursdays: 10am -12noon

The group will be small, 6 - 8 people to start with so meetings can be held in members' houses. The focus will be mainly on building confidence with conversation plus bits of reading, listening and grammar at intermediate level to enable everyone to keep making progress.

Meeting Format

- Initial “warm up” chat about anything interesting we have done/ seen/ heard/ read etc.
- Activity about an aspect of grammar
- Break for refreshments
- A reading or listening activity, sometimes using online resources or CDs or a mini “presentation” from a group member.

We hope to have some variety in our meetings so ideas and contributions are welcome.

Hosting the group

Initial meetings will take place at the Co-ordinators house. Once the group is established it is hoped we can take turns in hosting although no-one has to host if they prefer not to.

Hosts normally provide tea / coffee and biscuits for a contribution of 50p per person

The group will need enough space with good ventilation if meeting indoors and access to toilet and handwashing.

*Covid

To enable the group to manage and minimise any risks from Covid, please also bring some proof of your vaccine status (double, single or none) to your first meeting. This will help us to assess risk and decide as a group if we need any measures additional to the provision of hand washing facilities and good ventilation.
