Will you	hear me	if I'm	calling	on this	wild and	windy	night

---	---	---	---

When I may lose my way back home

F C F G

Lose the signs that I've been shown

F C G C

Wander helpless through the storm

F Em F G

all alone

F	C	G	C
---	---	---	---

Oh and I may lose the strength to run

F C F G

Finish what I've not begun

F C G C

Fading with the winter sun

F Em F G

Everything undone

---	---	---	---

Oh and I may lose the strength to dream

F C F G

For nothing is what it might seem

F C G C

Oh and all the places I have been

F Em F G

Forever unseen

[Chorus]

F C G C

Nothing ever calms the fear

F C F G

Out of sight but always near

F C G C

Waiting for the sky to clear

F Em F G

I will disappear
