

I'm a Poor Wayfarin' Stranger

Em

I am a poor wayfaring stranger

D

Em

I'm travellin' through this world of woe

Em

Yet There's no sickness, no toil, nor danger

D

Em

In that bright land to which I go

C

G

I'm going there to see my Father

C

G

I'm going there no more to roam

Em

C

I'm only going over Jordan

D

Em

I'm only going over home

Em

I know dark clouds will gather 'round me

D

Em

I know my way is rough and steep

Em

But Golden fields lie just before me

D

Em

Where God's redeemed, shall ever sleep

C

G

I'm going home to see my Mother

C

G

And all my loved ones who've gone on

Em

C

I'm only going over Jordan

D

Em

I'm only going over home

Em

I'll soon be free from every trial

D

Em

My body sleeping in the churchyard

Em

I'll drop the cross of self-denial

D

Em

And enter on my great reward

[Chorus]
